Friday Jan 22, 2010, The Royal Institute of British Architects (RIBA)
Portland Place, London W1. In association with **Wellness Academy**

EXHIBITOR INFORMATION

What is Health4Life all about?

Health4Life underlines a passionate commitment to helping more people take control of their own health and embrace a future free of cancer, heart disease and the other big killers plaguing our society today. This exciting series of events brings together world-class health professionals in the diverse fields of nutrition, exercise physiology and stress management—all in a bid to arm people with the tools to feel their very best and, critically, to prevent chronic disease.

Why exhibit?

- An ideal platform to reach both the consumer and corporate marketplaces AND secure association with a unique event with wide individual appeal and for company managers responsible for corporate health and wellness
- To secure exposure to influential award-winning health professionals to enhance your brand profile as “the tools of their trade”
- Holds direct appeal for companies engaged in health & wellness consumer marketing, including food & beverage, health products and services
- Your company will benefit from promotion throughout all the marketing campaigns for the event
- The event is tailored with exhibitors in mind and provides x2 long refreshment and lunch breaks to provide valuable networking time to interact with delegates
